

2. Commune

The diagram illustrates the relationship between two different ways of representing a number. The top row shows two groups of 10 boxes each, with an ellipsis between them, representing the number 20 as two tens. The bottom row shows a single group of 20 boxes, representing the same number 20 as one twenty.

THE BOOK OF WISDOM, Vol.2, Discourse 1**

The diagram shows a horizontal bar representing a 100-bit memory word, divided into 10 equal segments. Each segment is labeled with a number from 1 to 10. Segments 1 through 9 are filled with the digit '1', and segment 10 is filled with the digit '0'.

I AM THAT, Discourse 15**

The diagram consists of six horizontal rows of small squares. Each square has a black border and a light gray interior. The first five rows are uniform in length, each containing 20 squares. The sixth row at the bottom is shorter than the others, containing exactly 10 squares.
