Diagram illustrating a 1D lattice with 100 sites. The lattice is represented by three rows of boxes:

- Top row: 100 empty boxes representing all sites.
- Middle row: 25 empty boxes, followed by an ellipsis (\dots), and then 25 empty boxes, representing a subset of sites.
- Bottom row: 25 empty boxes, followed by a horizontal line, then 25 boxes each containing a single dot (representing occupied sites), followed by another horizontal line, and then 25 empty boxes.
