

[illegible]

A diagram of a linear chromosome represented as a horizontal bar divided into four segments labeled A, B, C, and D from left to right. Segment A is the longest, followed by D, then B, and C is the shortest. The segments are separated by small gaps.

A diagram showing a long horizontal row of small squares, representing a sequence of elements. The row is divided into two sections by an ellipsis (...). The first section contains 20 squares, and the second section contains 10 squares.

[illegible][illegible][illegible][illegible]

A horizontal number line with arrows at both ends. It is marked with numbers from 0 to 100 in increments of 10. A vertical line segment is drawn from the 10 mark to the 20 mark, representing a jump of 10.
