.....

[illegible]

A horizontal number line starting at 0 and ending at 100. Major tick marks are labeled every 10 units (0, 10, 20, 30, 40, 50, 60, 70, 80, 90, 100). Between the 80 and 90 tick marks, the line is broken, indicated by two short parallel diagonal lines. There are 8 small, unlabeled tick marks between each pair of major labeled tick marks, representing increments of 2 units.

A diagram of a linear chromosome represented as a horizontal bar divided into 100 equal segments. The first 80 segments are numbered sequentially from 1 to 80. The final 20 segments are grouped together and labeled with the letter 'A'.
